WELCOMING PRAYER WORKSHOP! Presenters Sue Kahalekulu & Bob Mischke will be hosting a **"Welcoming Prayer" workshop** on **Saturday, November 23rd from 9:00 am to 1:00 pm**. It's one thing to "let go" and surrender to God during Centering Prayer (or other mediation practice), but it is quite another once we return to the circumstances of ordinary life and our buttons get pushed, especially during the holidays! The Welcoming Prayer is a practice designed to help us respond instead of react when we find our emotional programs triggered. In this workshop we will learn to consent to God's presence and action in our lives so we aren't torn apart by anxiety, fears, anger or other afflictive emotions! **Sign up at the Council is In table or call the church office 303-421-2721!** The workshop is free, but please sign up for planning purposes!

PLEASE REMEMBER IN YOUR PRAYERS: *Please pray for all those affected by natural disasters. Pray for protection for all religious and faith-based places of worship. Please pray for all those who serve in law enforcement, and all first responders and their loved ones.*
